

FAQ

- **Does my project have to benefit/include L&Q residents for my project to be awarded funding?**
Yes, at least some of the beneficiaries of the funding must be L&Q residents. However, there is no minimum percentage and a higher percentage does not automatically improve the chances of funding. Your organisation also does not have to be based in an L&Q area, as long as some of the beneficiaries are L&Q residents and you operate, at least in part, in an L&Q area.
- **How much funding can I apply for?**
Place Makers Local: Up to 10k
Place Makers Growth: 10k to 50k
Additionally, organisations cannot apply for a grant that exceeds 20% of the organisation's annual turnover.
- **My organisation is not one of the types of organisations listed as eligible for funding in section 5 of the prospectus. Does this mean we are ineligible?**
If your organisation type is not listed but you feel that you should be eligible, please get in touch with Rocket Science.
- **What L&Q region am I in/is my project in?**
Link to the L&Q neighbourhood document is here: <https://www.lqgroup.org.uk/have-your-say/resident-involvement/neighbourhood-committees/local-neighbourhood-committees/>
This page is also linked at question 5.2 in the application form.
- **Do you have a list of the L&Q properties/ estates in my area?**
No, we do not. If you feel this information is important for your project, please get in touch with your local Neighbourhood Committee.
- **Can I apply for money for capital costs?**
Yes, but only from Place Makers Growth. Place Makers Local will not fund capital costs.
- **When is the application deadline?**
The deadline is a rolling deadline of the 1st of each month.
- **How will my application be assessed?**
There is an assessment matrix/ guideline on p.13 of the prospectus.
- **How/ when will I know if my application has been successful?**
We anticipate informing applicants one month after respective monthly deadlines, but this may occasionally be slightly longer.
- **If my application is unsuccessful, can I reapply?**
Yes, you can reapply using the same page on the portal. Feedback is available upon request.
